No. 813-7/25/2011-DS-Vol.(IX) Dated: 05-08-2024

To,

1. All UL / UL VNO Licensees with Access/Internet service authorization
2. All Internet Service Licensee's

Subject :- Go Live of IP addresses Database Module in Saral Sanchar portal

Reference: DoT Letter No. 813-7/25/2011-DS-Vol.(IX) dated 20th December, 2023.

Kindly refer the above cited letter vide which instructions were issued to licensees to prepare a database of (i) IP addresses/IP address pool used by Licensee for self use and (ii) IP addresses/IP address pool for allocation to its subscribers and to update the same on monthly basis.

2. In order to facilitate the compliance to the aforementioned DoT letter, an IP address Database module has been Developed on the DoT's Saral Sanchar portal **(https://saralsanchar.gov.in/)** with the help of ITPC (BSNL) and the IT Division, DoT HQ. The user manual detailing step by step process for updating the IP address entries on Saral Sanchar portal is enclosed herewith.

3. Licensees are requested to log into the portal and update your IP addresses database on the Saral Sanchar portal within one month to comply with the DoT letter dated 20.12.2023. Further, the licensee should also update the same as when there is any change in its IP address portfolio.

Enclosed: A/A
