Section-2

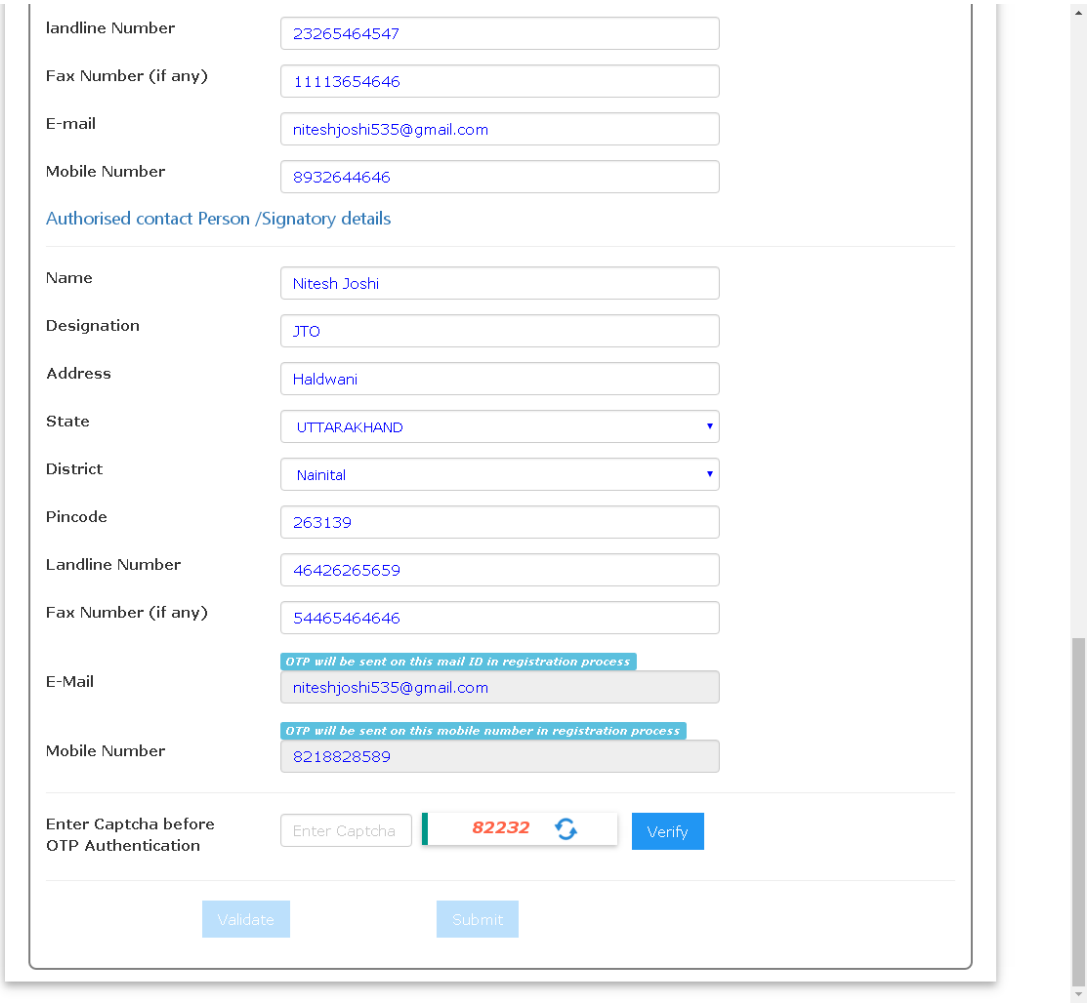

APPLICANT PART

2.1 Registration

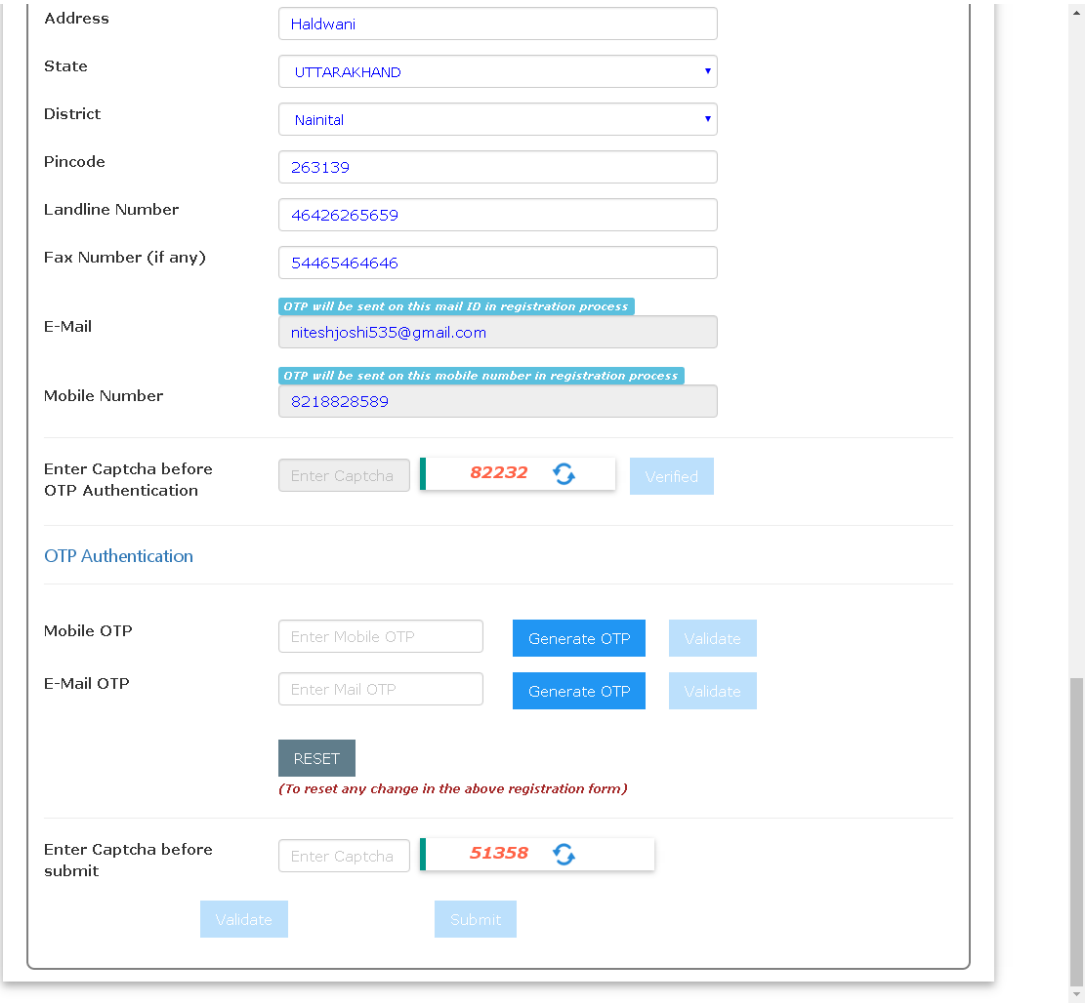

(In case you are new to the portal, and have not registered earlier) . Click on the Registration link , available on the Top Navigation bar , or in the Top right sidebar panel. You will be redirected to the below form.

Fill in the required information. After filling **Authorized Contact Person** details, you will be required to fill in your **E-Mail address & Mobile Number.** After this you will fill the **CAPTCHA code** before OTP Authentication, as shown below

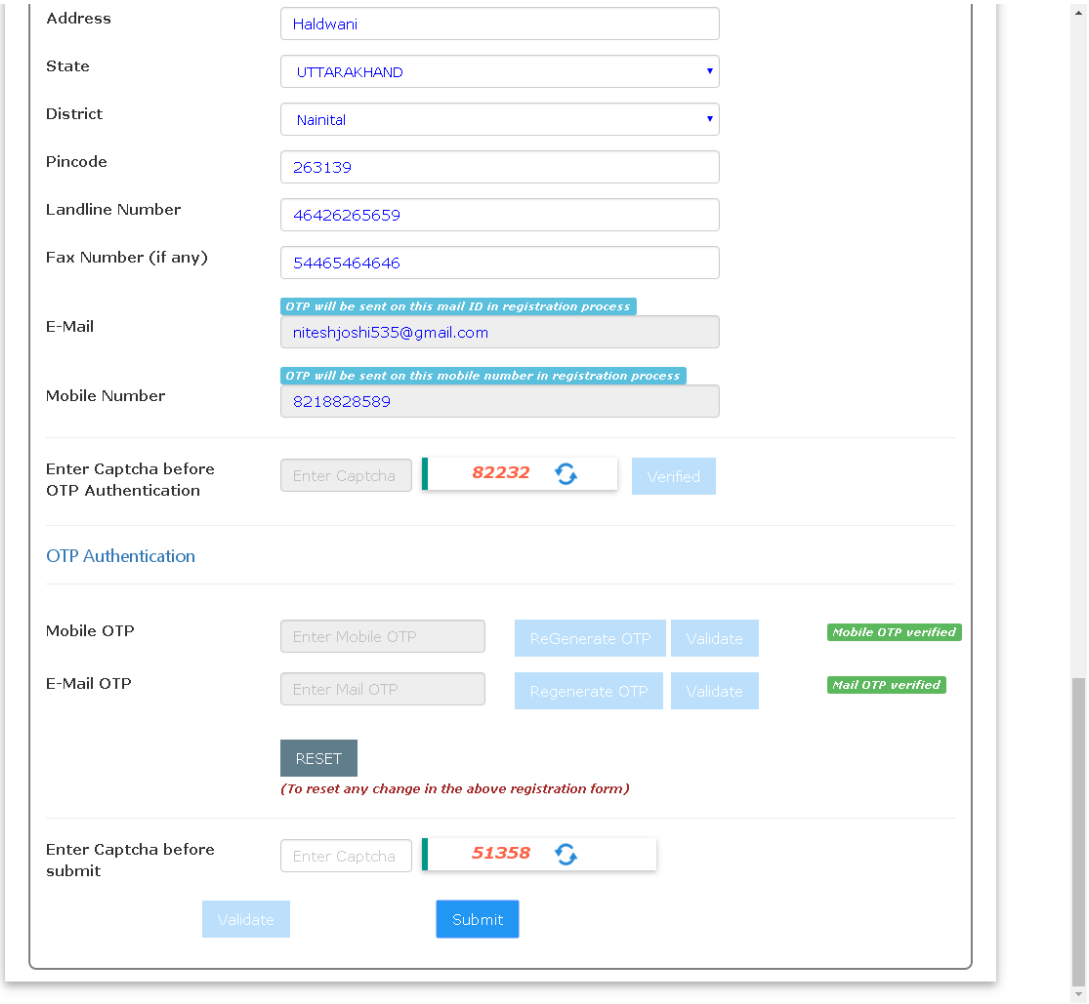

After successfully verifying the **CAPTCHA Code** you will see the below screen in which there are separate buttons for generating OTP's for **E-Mail address & Mobile Number.** Please click on each button to get the respective OTP's.

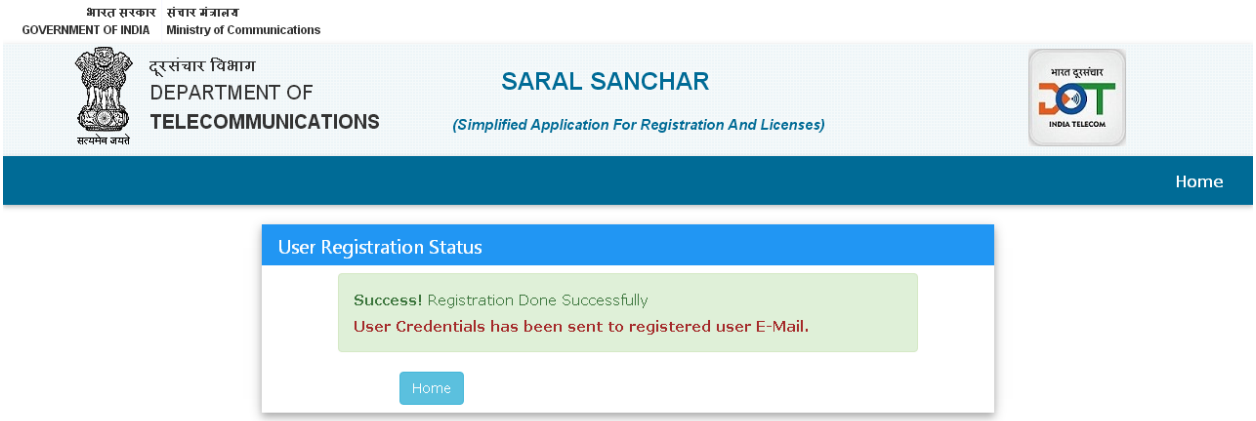

You will receive **OTP's,** both on your **E-Mail address & Mobile Number** which you entered in the earlier step. Enter the OTP's and click on validate button to verify them.

After verifying the OTP's you will see the below screen. If you want to reset the data then there is a RESET button. If you don't want to reset data then enter the **CAPTCHA CODE** & click on submit to get yourself registered.

Step IV

Owner & Other Details

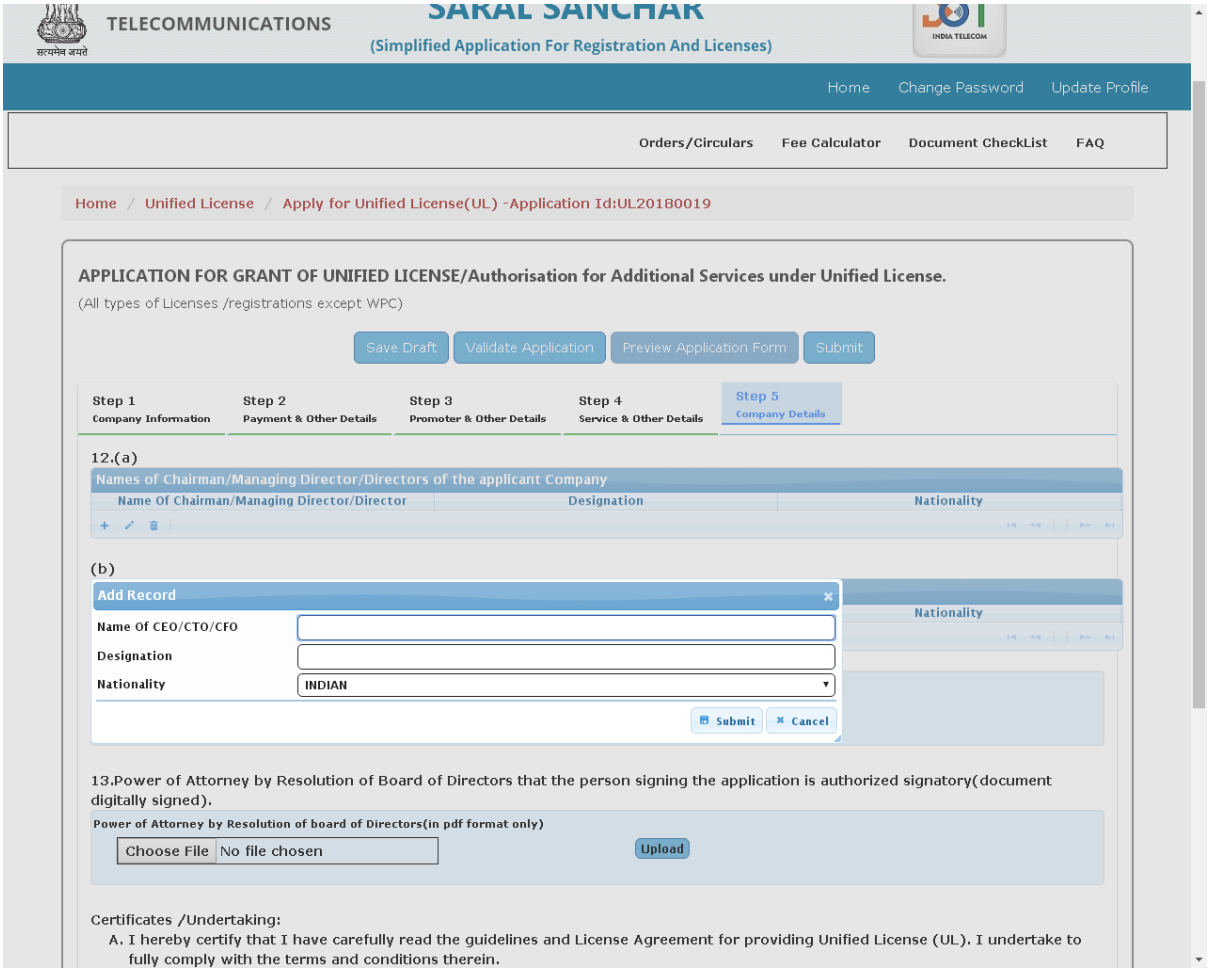

This step is entering "Owner & Other Details".

(a)As shown in image above on left side there is option of adding, editing and deleting Company owner details. If you click "+" sign separate window will pop up to enter promoter details. Here you have to enter name of promoter, type, equity percentage and net worth.

If already details are submitted and user wants to change it then he has to click on "✎" icon. Separate window will pop up to feed the data. Do necessary changes and submit.

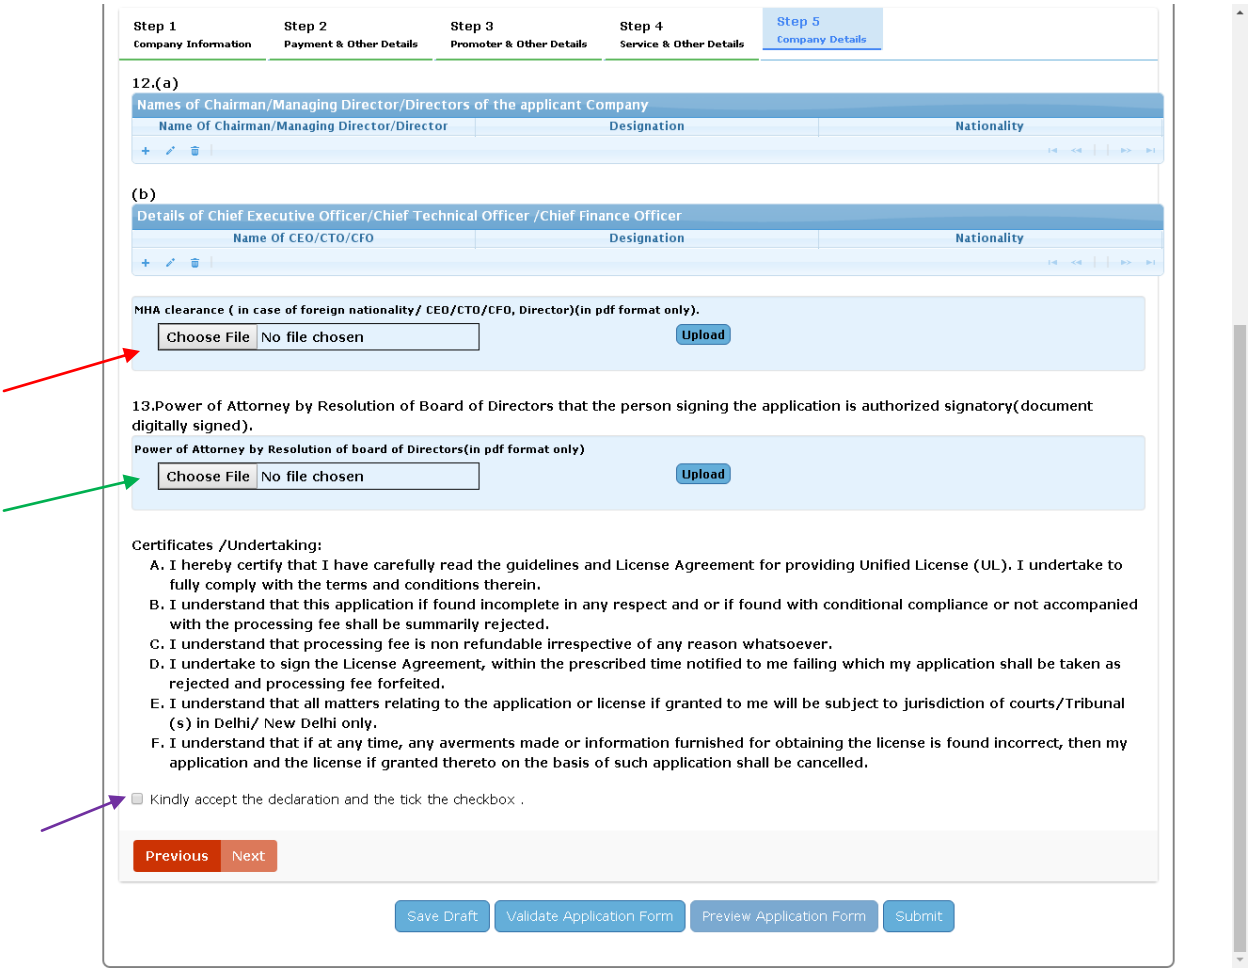

To delete already submitted details click on "🗑" icon. Separate window will open to get your confirmation by pressing "delete" button.

(b)As shown in image above on left side there is option of adding, editing and deleting CEO/CTO/CFO details. If you click "+" sign separate window will pop up to enter promoter details. Here you have to enter name of promoter, type, equity percentage and net worth.

If already details are submitted and user wants to change it then he has to click on "✎" icon. Separate window will pop up to feed the data. Do necessary changes and submit.

To delete already submitted details click on "🗑" icon. Separate window will open to get your confirmation by pressing "delete" button.

(c) Here upload pdf file of certificate clearance from Ministry of Home Affairs using a button shown by red arrow in above image if owner or if CEO/CFO/CTO is foreign national.

(d) Here upload pdf file of Certified **Power of Attorney by Resolution of Board of Directors that the person signing the application is authorized signatory (document digitally signed).** Using a button shown by green arrow in above image.

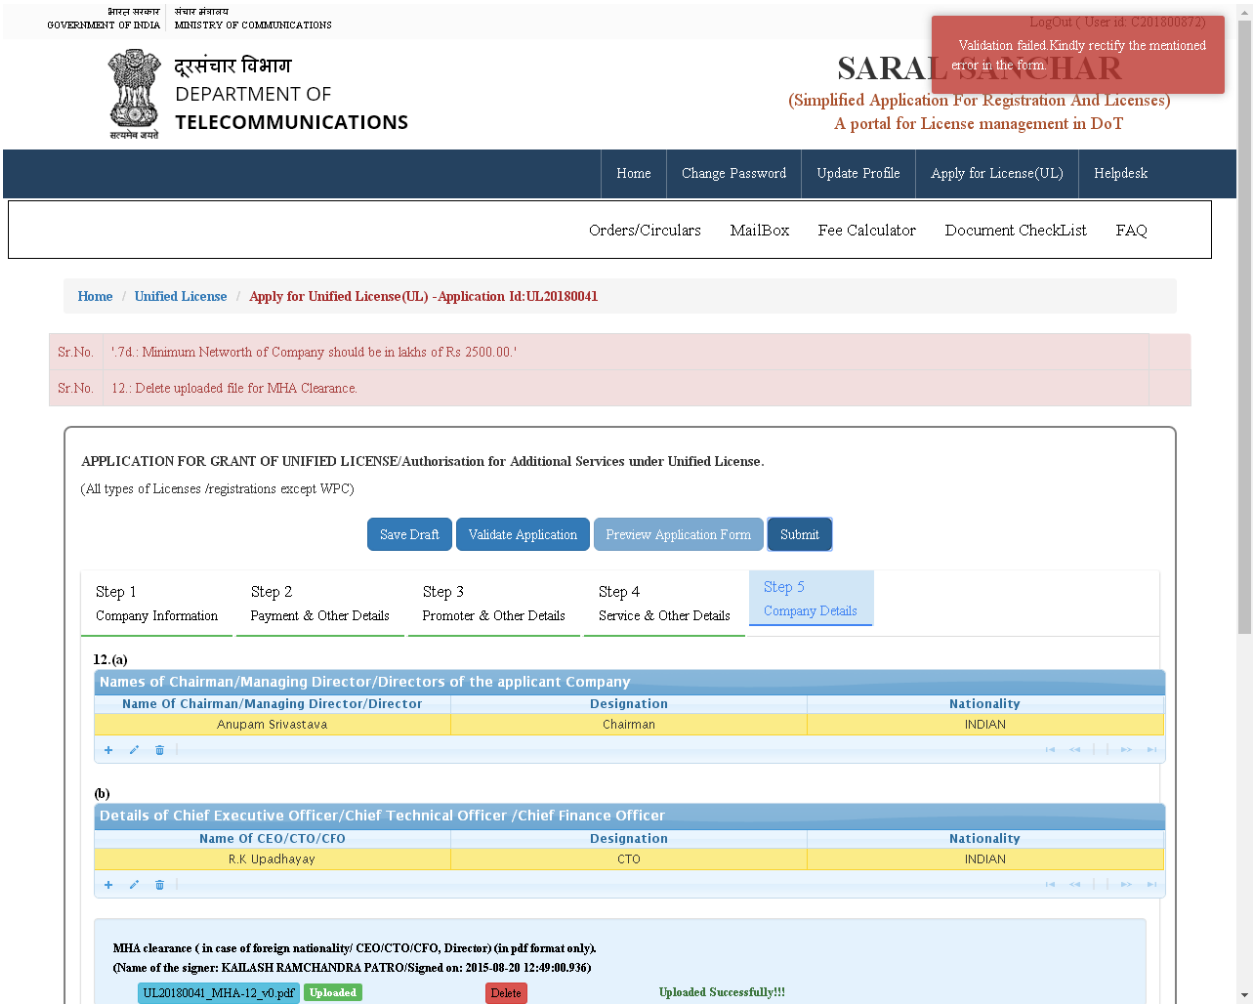

(e)Accept all terms and conditions by click on checkbox shown by purple arrow in above image.

Save the form by clicking "save draft" button. Now next button is disabled as this is the final stage. You can go to any previous stage using "previous" button and can do the changes.

Now, validate & preview application form using "Validate & Preview Application Form" button. If any discrepancies in the form then it will get reflected on the top of the page as shown below.

User should preview the form and do necessary changes . After all this process form should be submitted using "submit" button. If "Terms & Conditions" checkbox not clicked then system will not allow to submit the form.

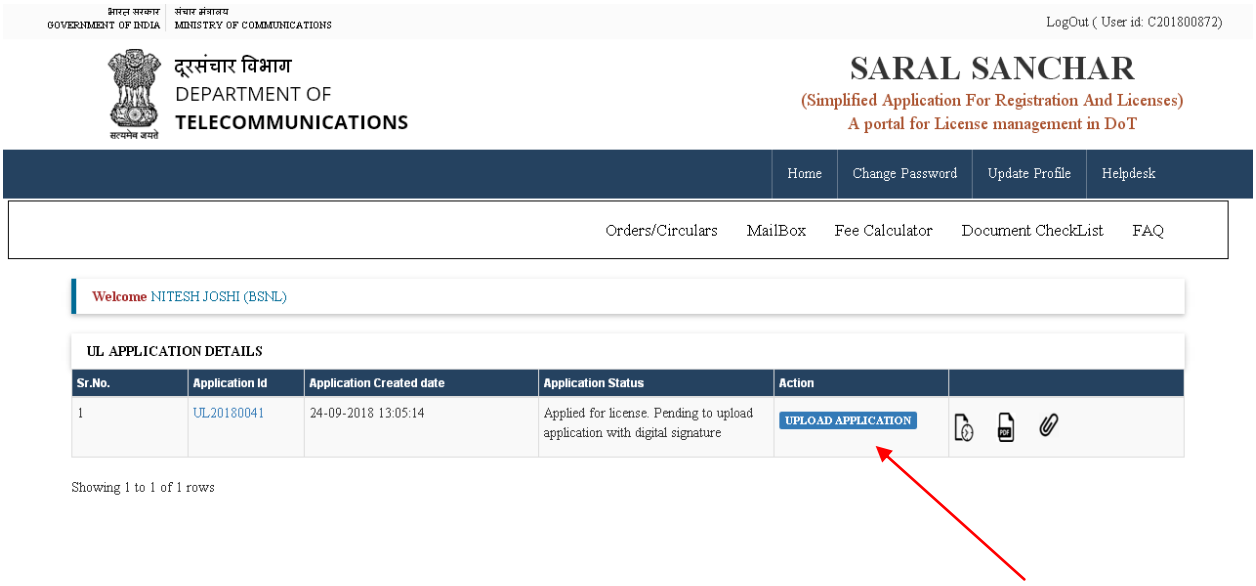

So, first click on "Terms & Conditions" checkbox then press "submit" button. Form will get submitted and home screen will get displayed showing status of the application and action pending.

This shows the errors.

If no discrepancy then on the top right corner “validation successful message” gets displayed & you will be redirected to the dashboard which is shown below.

2.4 Upload Application :

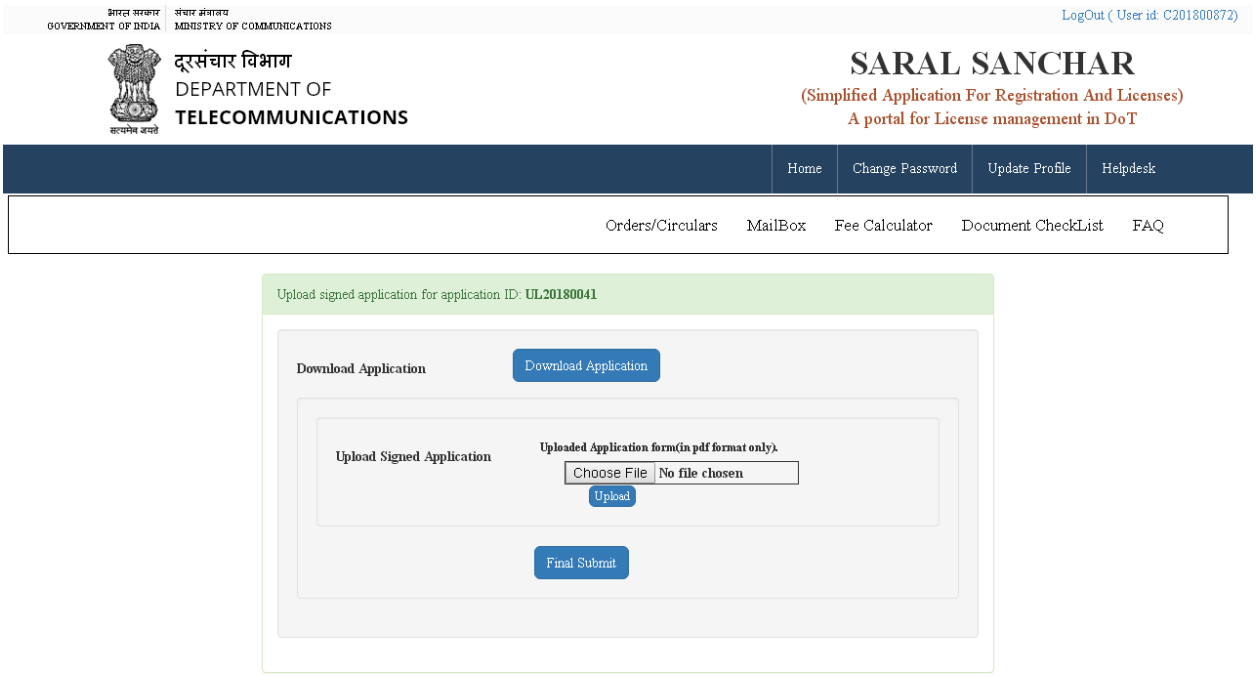

This shows the Dashboard of the Applicant.

Using “History” button , user can find out history of the application

Using “Generate pdf” button (shown in red arrow) user can get application in pdf format.
Now there is one action pending and that is to “**upload the application with digital signature”** this can be done by clicking the “**Upload Application”** button.

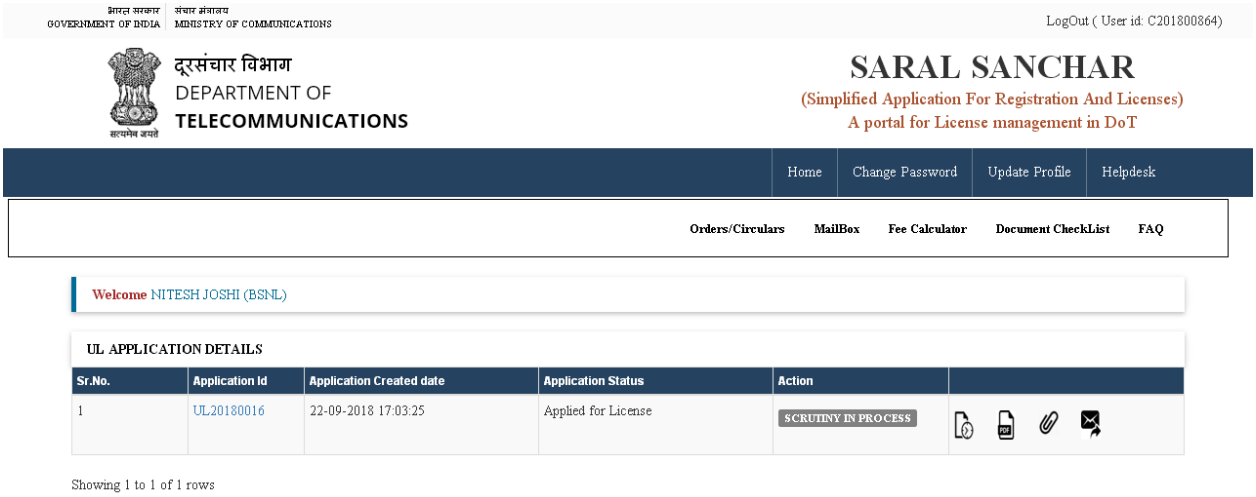

After clicking the **Upload Application** button you will be redirected to this page.

You can download the application form in pdf format from the "**Download Application**" button

Upload the necessary document and click on the "**Final Submit**" button.

After This you will be redirected to the dashboard page .

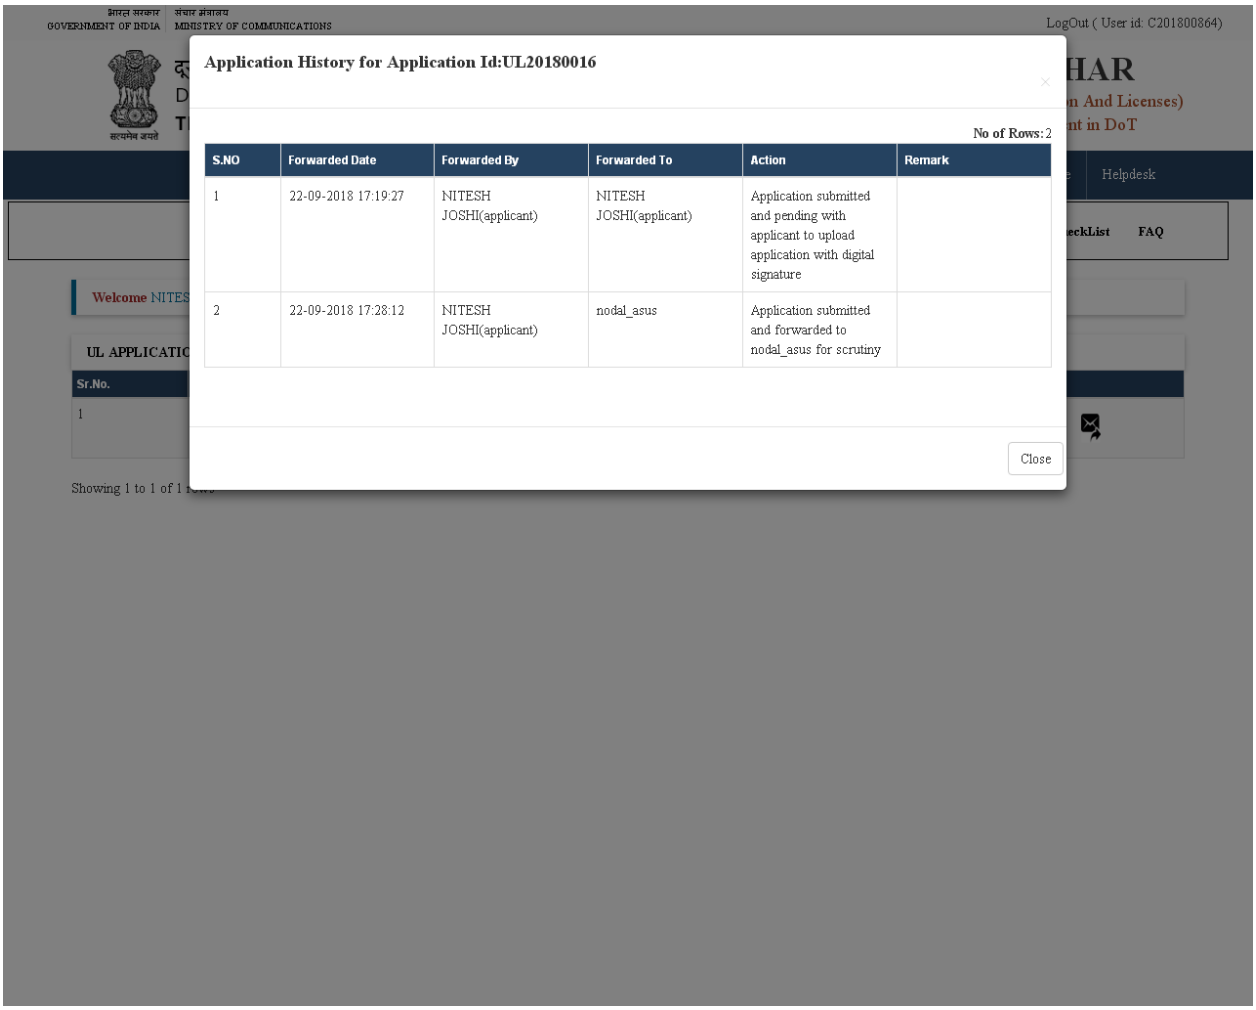

Scrutiny :

If after scrutiny any of your documents are not acceptable to DoT then documents will be reverted back to you and you will be notified about the same via SMS and E-Mail. You will required to upload the reverted documents again . The link for re-uploading the reverted documents will be available in your dashboard.

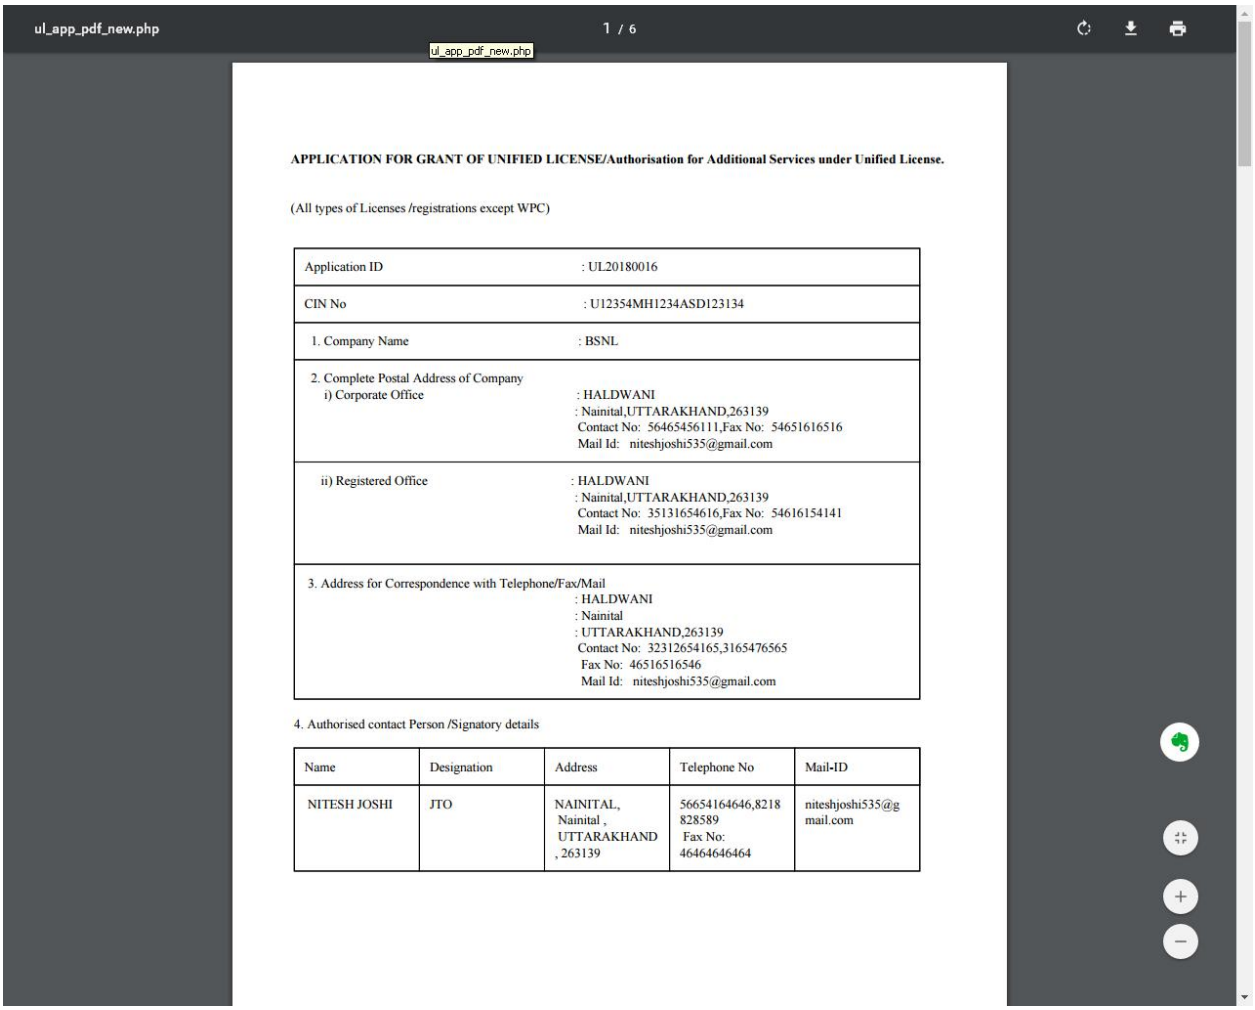

2.5 Dashboard Details:

This dashboard has four buttons

1. **History button**: This shows the history of actions completed till now.

2. Download Application button: This button lets you download your application form.

9	Other Documents if any	UL20180016_CCA_v0.pdf
10	Copy of registration certified by Company Secretary/Statutory Auditor and countersigned by Director duly authorized by the company	UL20180016_CCCR_v0.pdf

4. Reminder button: This button lets you put some reminders. On clicking this button you will be redirected to this page.

On the 1st line will be your **Application Id** followed by the **Authorized Person** Name.

On the next line is the message type i.e. if you want your reminder to be only a text message then click the radio button of SMS, if you want your reminder to be only an E-Mail, click on the Mail radio button and if you want both SMS and Mail reminder then click on both.

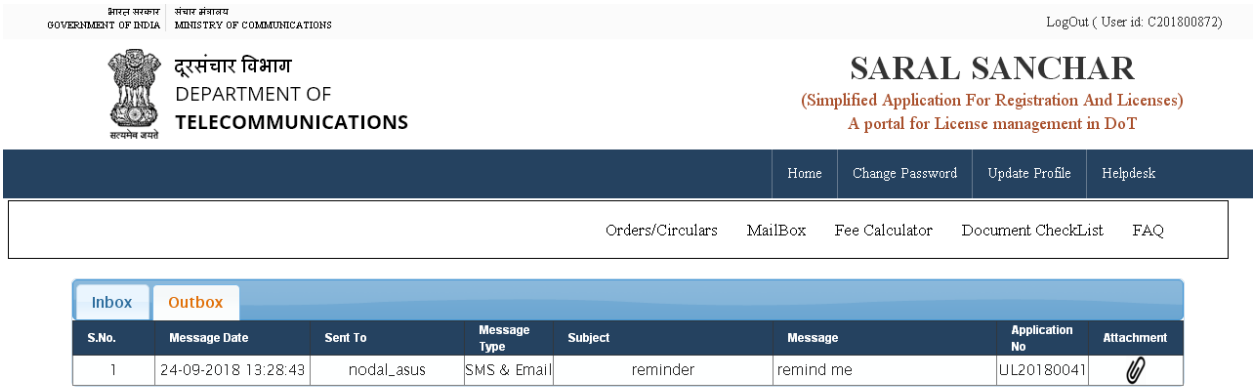

If you want to upload any file then click on yes and upload the file .

Click on send , your message for the reminder will be sent to the DoT personnel.

Now go to the **Mailbox** button on the 2nd Navigation Bar and you will be redirected to your mailbox.

Click on the outbox to see your recently sent message regarding **reminder** to the DoT personnel.

You will see all the details of the message you sent to the DoT personnel including the attachments (if any).

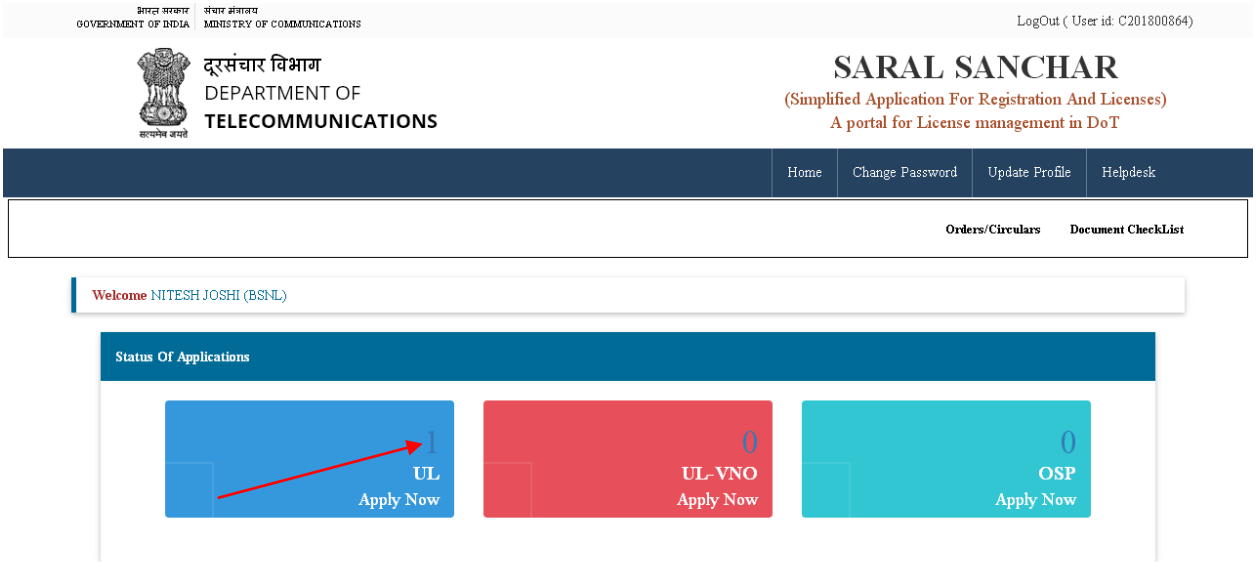

After receipt of application and all documents, DOT officer will accept the application after verification. DOT officer will issue LOI after acceptance of application.

2.6 Upload Signed LOI :

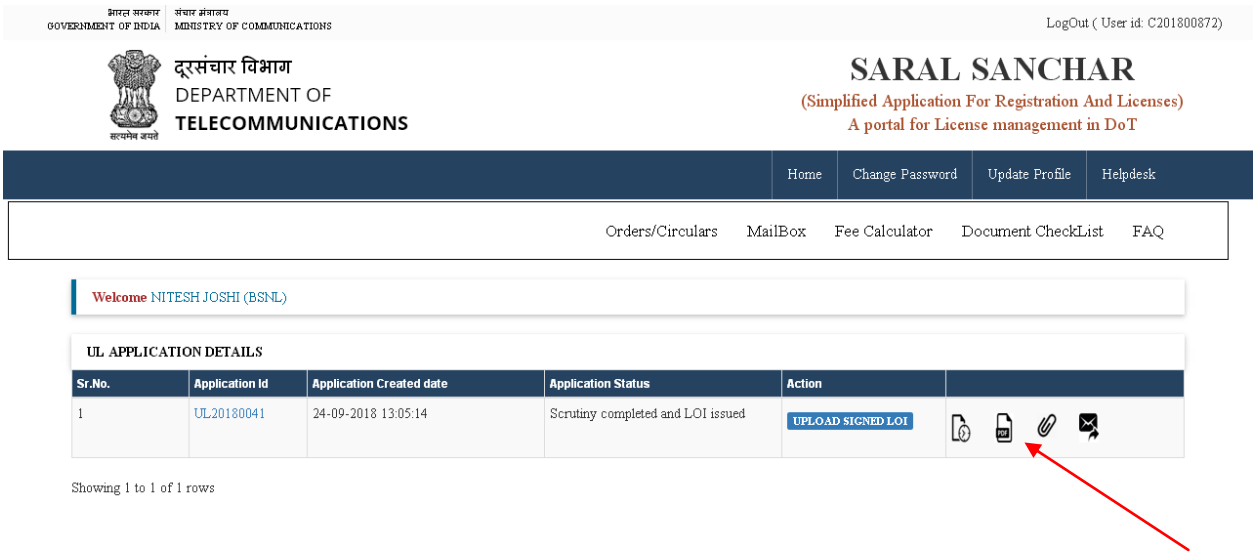

After scrutiny DoT will issue the LOI , you will be notified about it by SMS on your registered Mobile number, thereafter you can download the LOI from your dashboard which is shown below.

You will firstly log in and after successful log in you will click on the "1" shown by red arrow to go to your dashboard for the application you had earlier applied for.

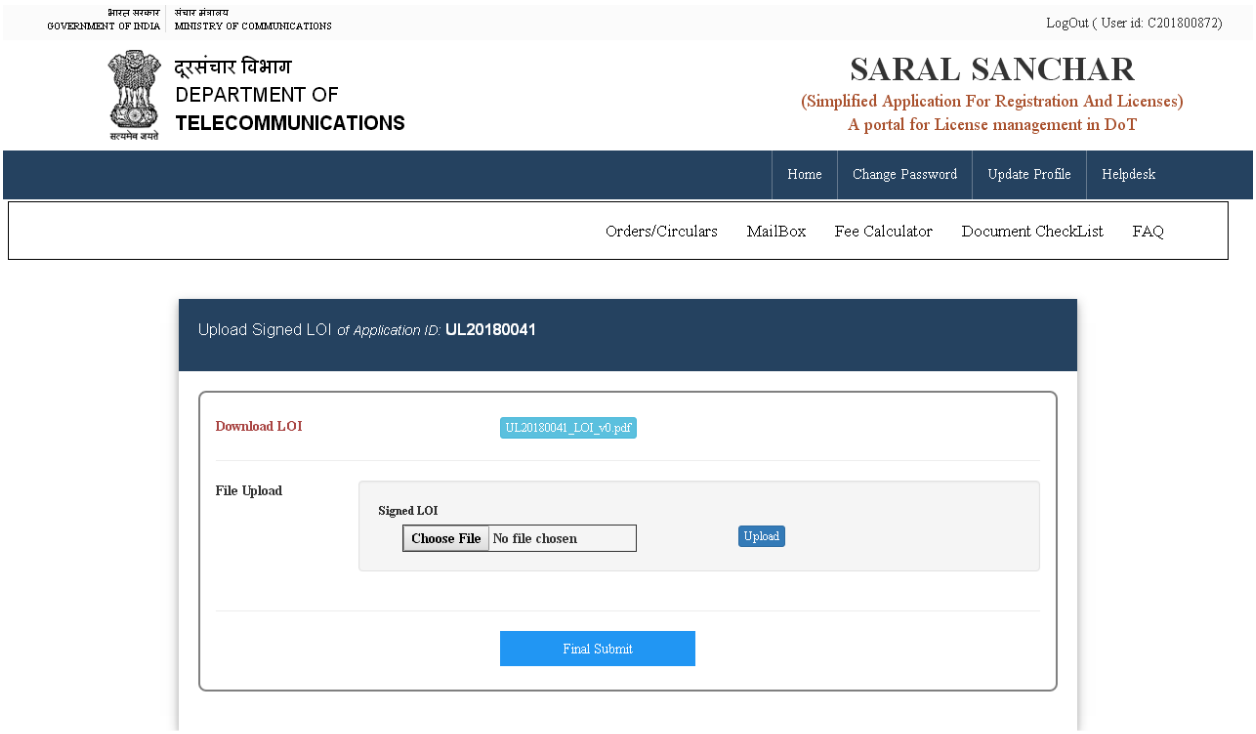

To download the LOI (unsigned) please click the **Download Application** button shown by arrow .

After downloading the LOI , you are required to signed the LOI and upload the signed LOI. You can upload the signed LOI by clicking the **Upload Signed LOI** button.

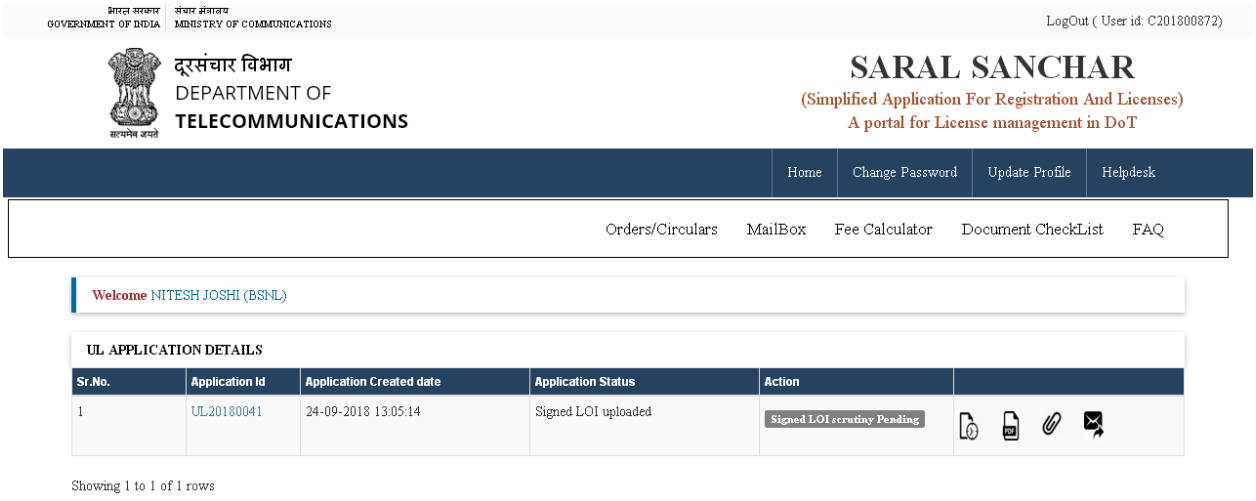

After clicking the upload signed LOI Button You will see the below screen.

Upload the document ad press submit. Your dashboard will look like this now.

Now you uploaded signed LOI is pending for scrutiny by DoT.

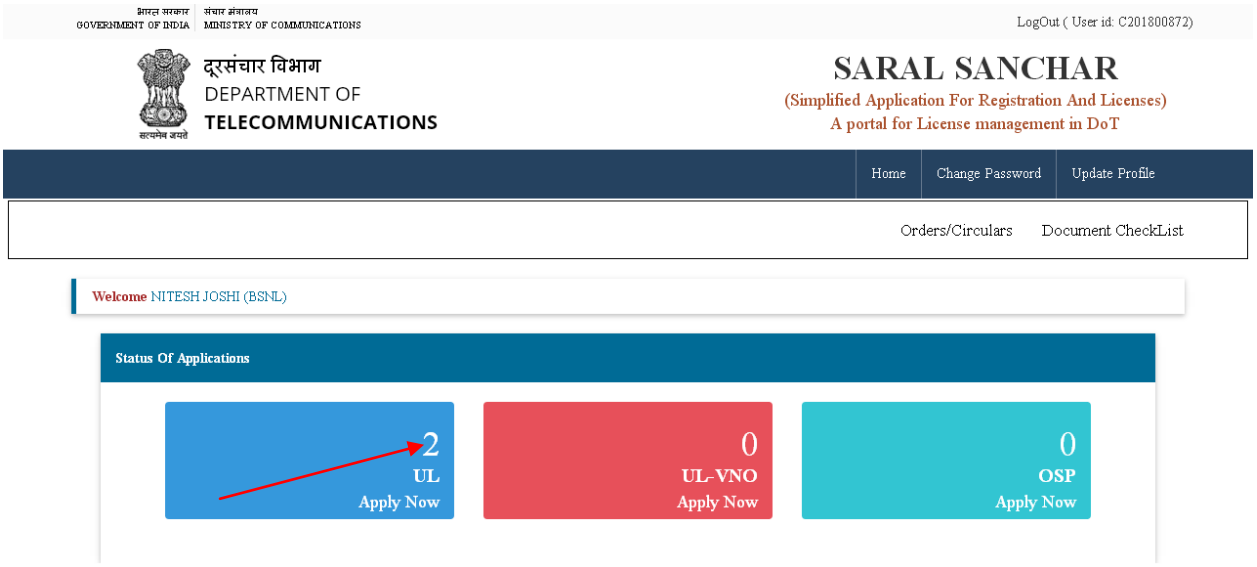

After successful scrutiny of the signed LOI you will receive a SMS regarding successful scrutiny.

Now please check your dashboard which will look like this. 2 actions are pending now viz.

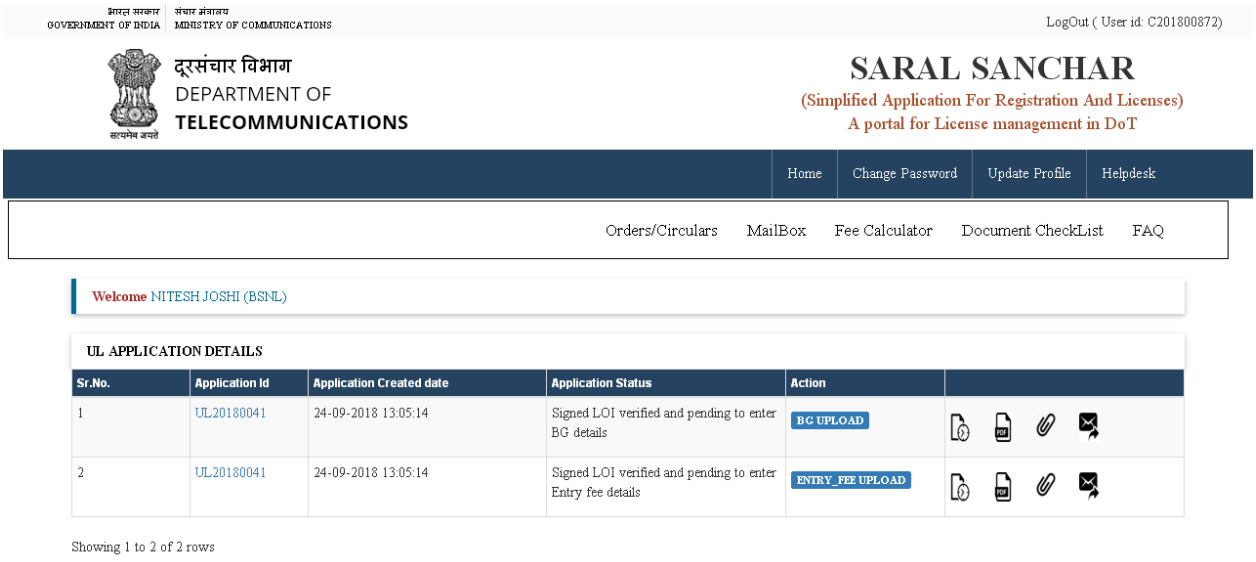

1. Bank Guarantee Upload.
2. Entry Fee Upload.

We will see them one by one.

You will firstly log in and after successful log in you will click on the "2" shown by red arrow to go to your dashboard for the application you had earlier applied for.

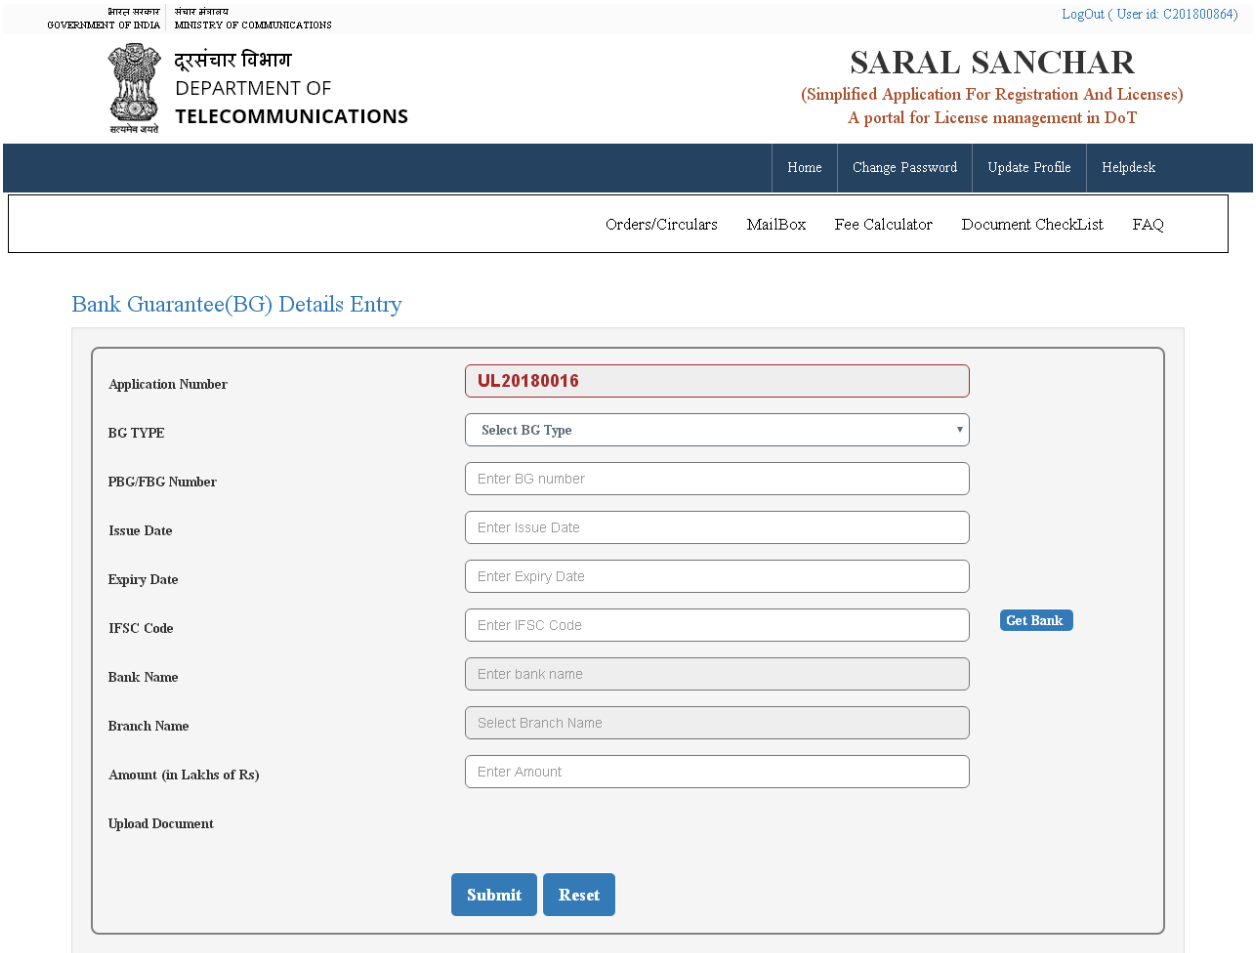

This is the dashboard.

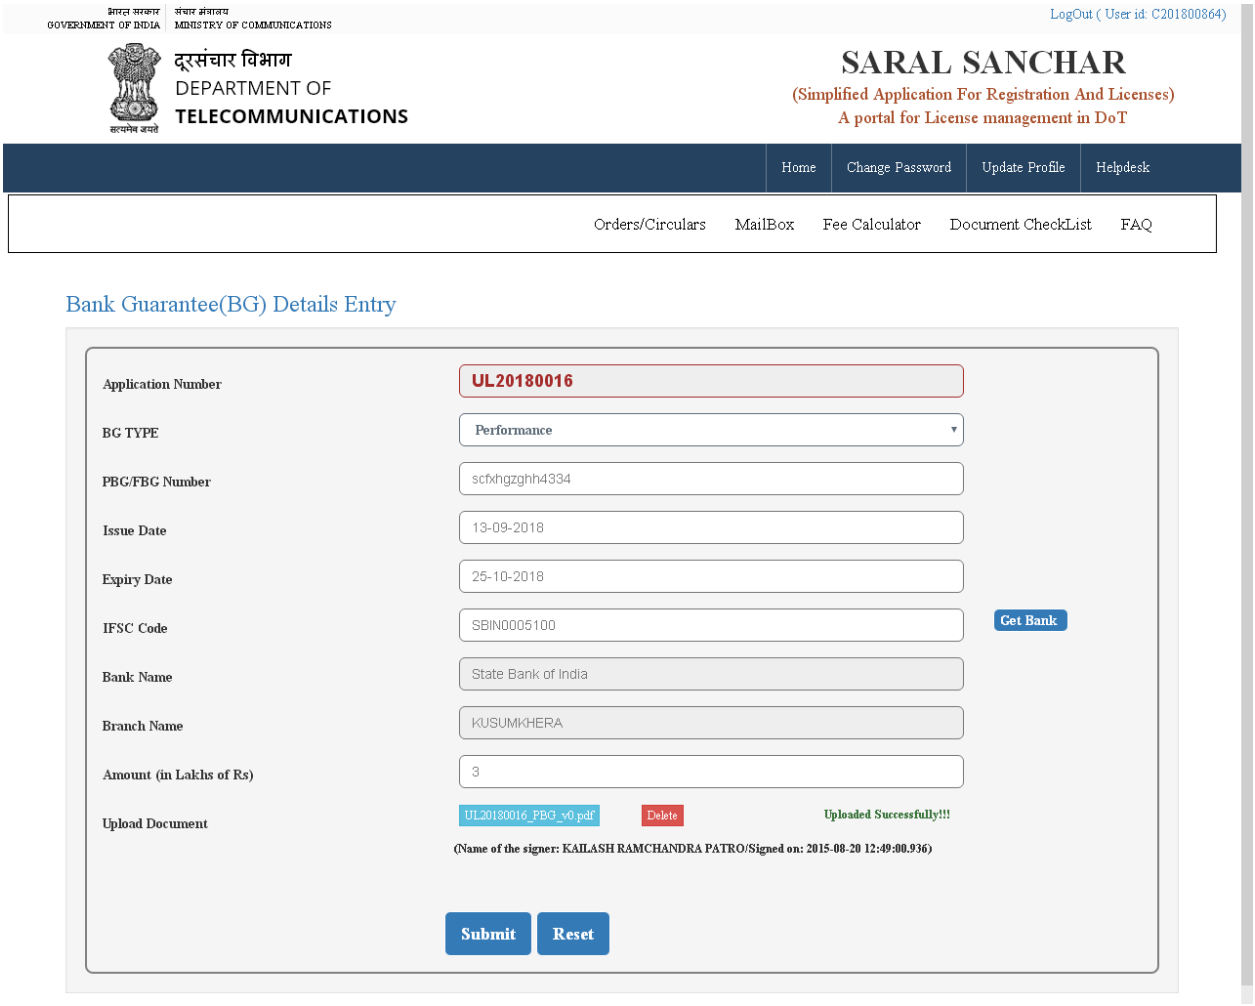

We will see them one by one.

2.7 Bank Guarantee upload:

On clicking the **BG UPLOAD** button you will see this screen.

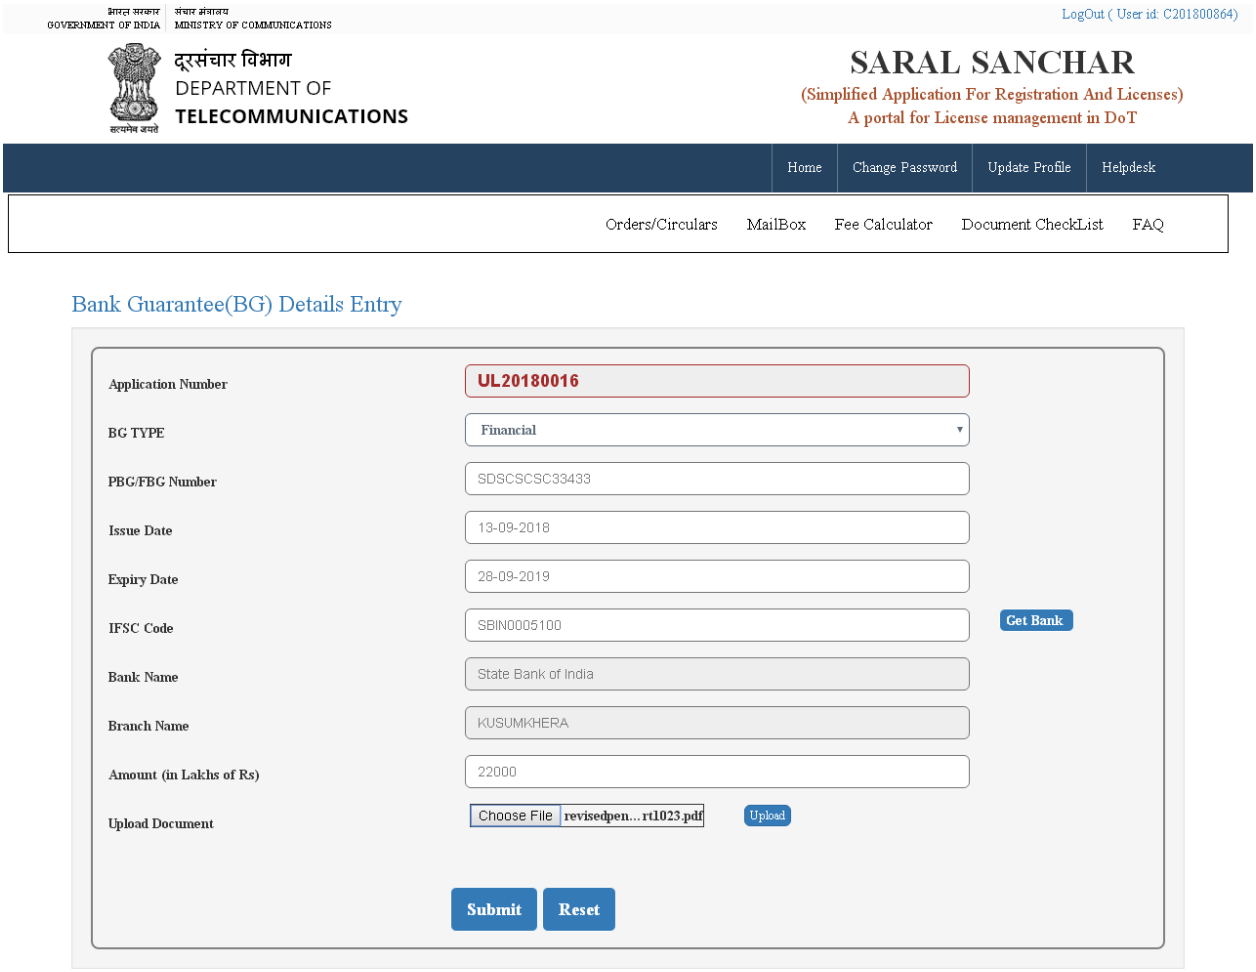

- Firstly Applicant will submit the ***Performance type BG***

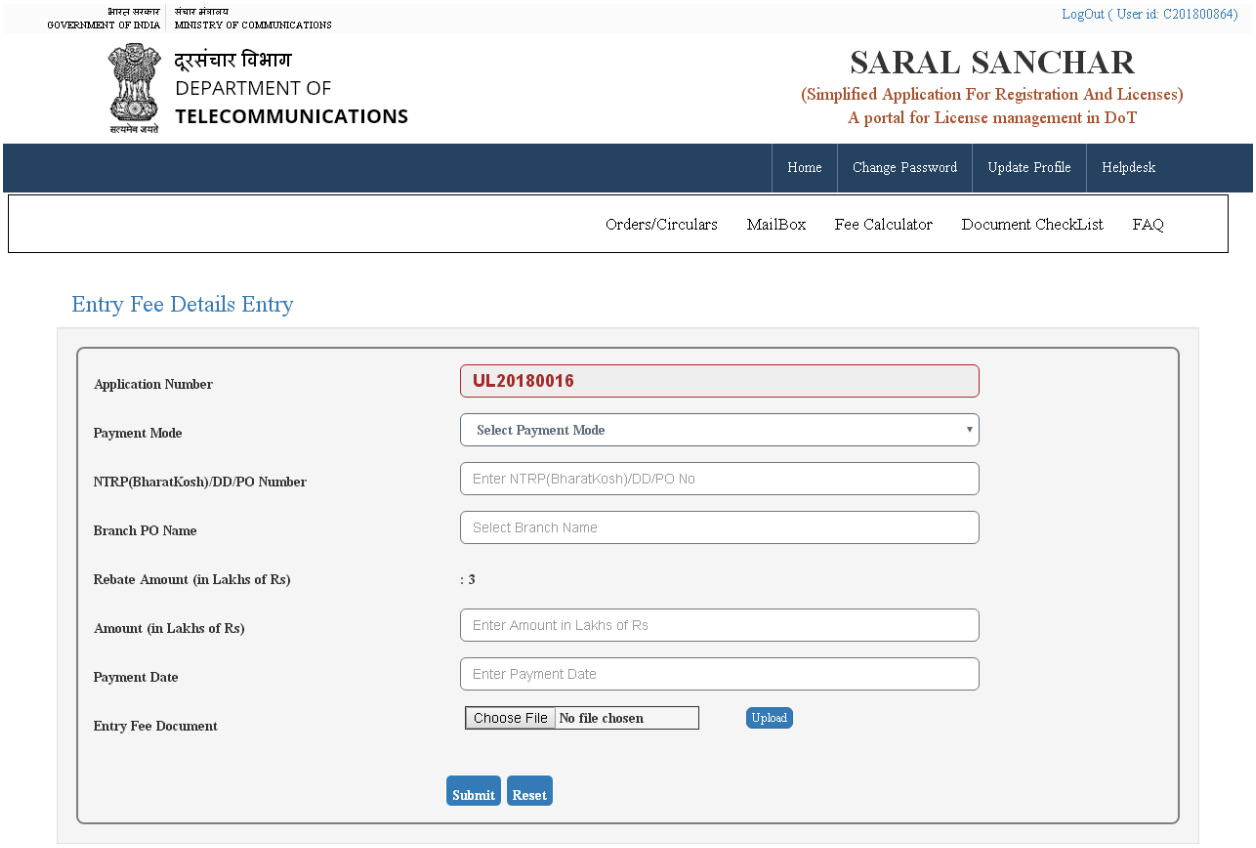

- This way the applicant will be able to upload the bank guarantee (PERFORMANCE TYPE).

- Now the applicant will upload the ***bank guarantee (Financial Type).***

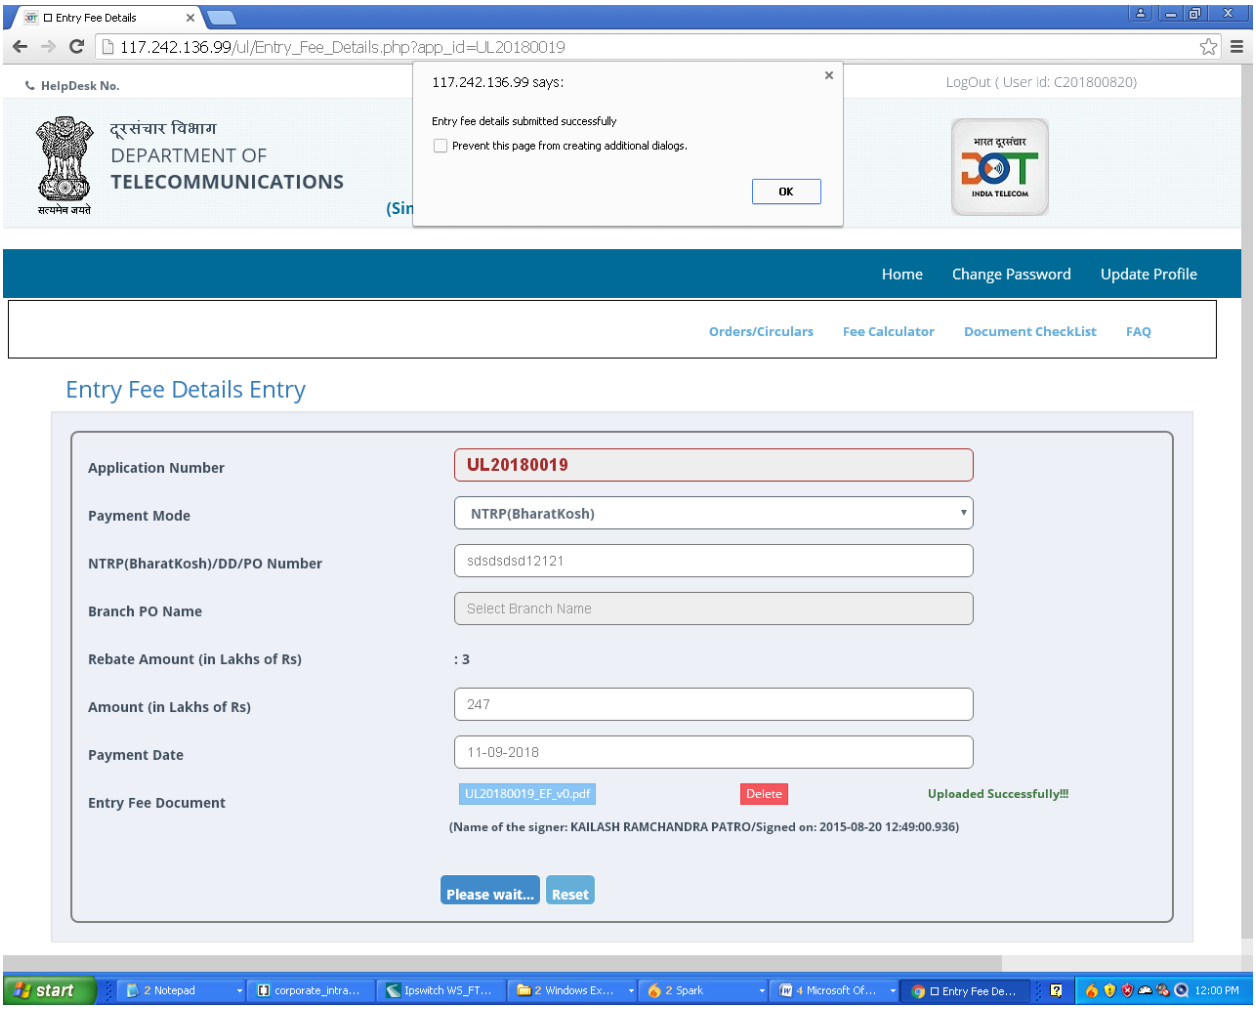

2.8 Entry Fee Details

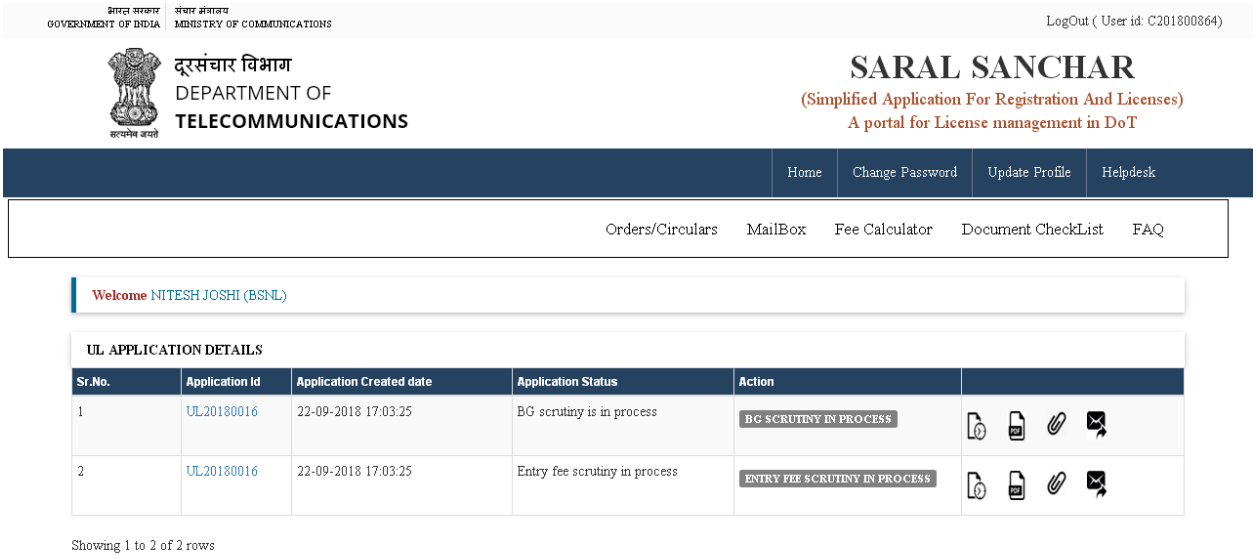

Next we will upload **Entry Fee Details** by clicking the respective link.

- After entering the details you will upload the ***entry fee document***

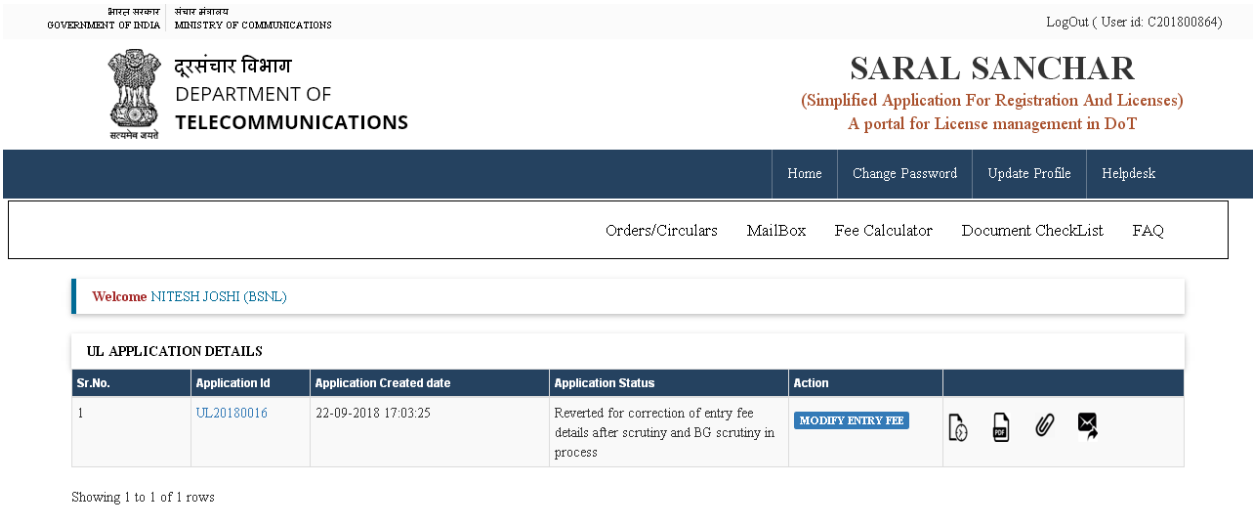

- After uploading the above , the dashboard of The Applicant will be like this

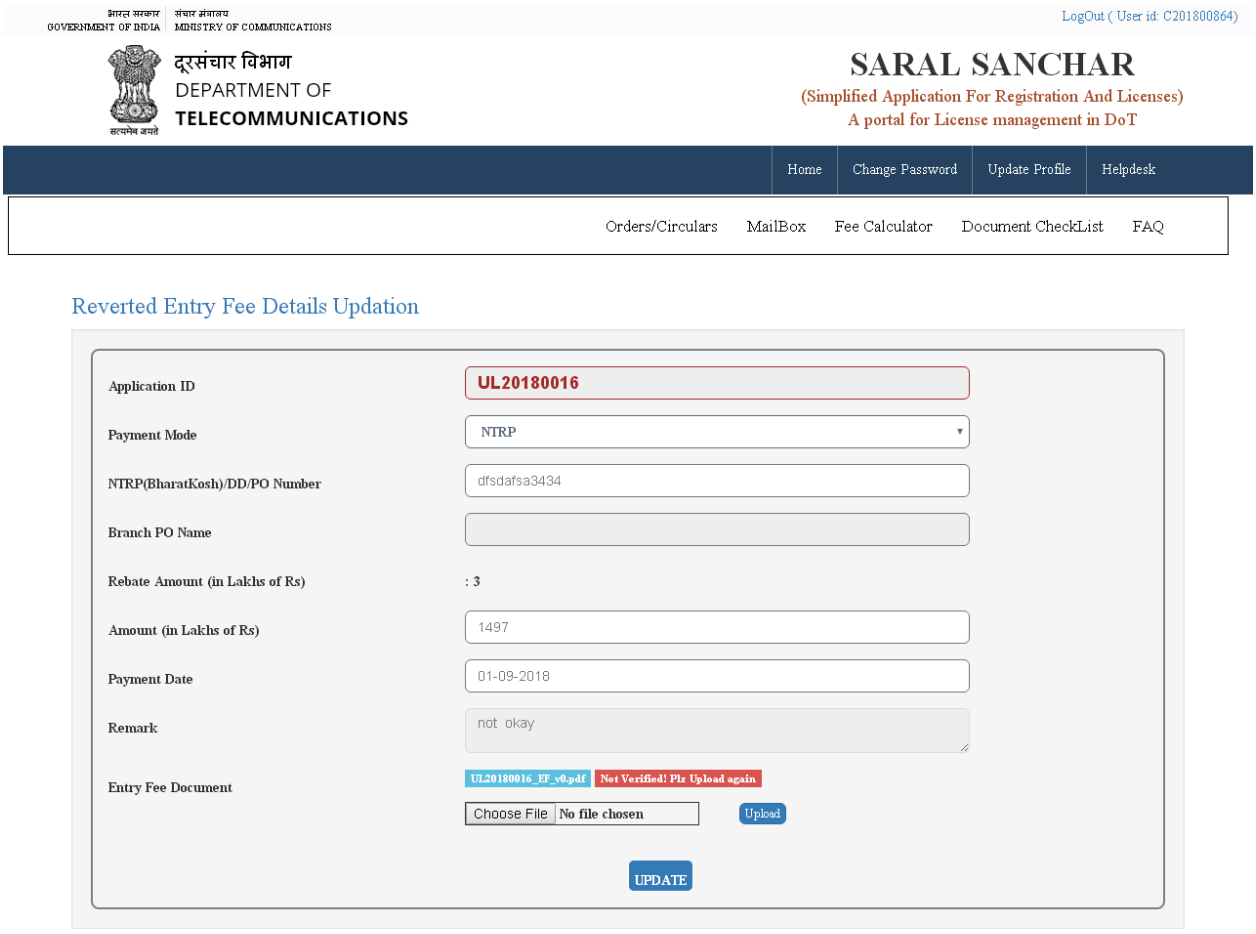

2.9 Reverted Document

Now these uploaded documents will be scrutinized by DoT and if any discrepancies are found then those documents will be reverted back to you for uploading them again. This is illustrated below, suppose your entry fee has some discrepancy then it will be reverted back to you and then you are supposed to upload it again as shown below.

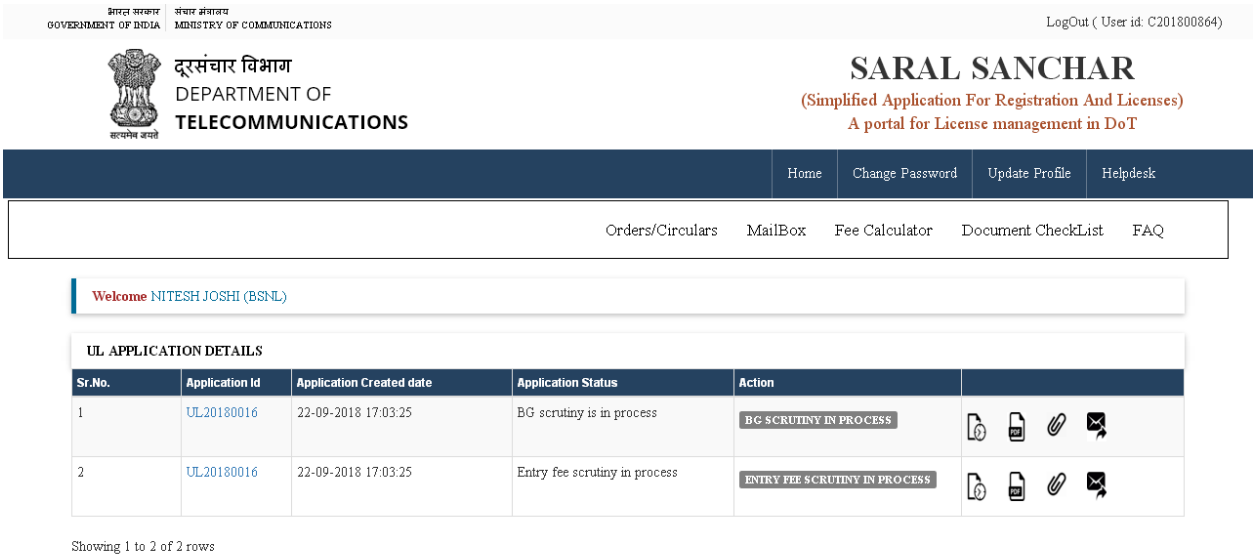

Your dashboard will look like this after DoT has reverted your documents back.

Click the **MODIFY ENTRY FEE** button & upload the respective file.

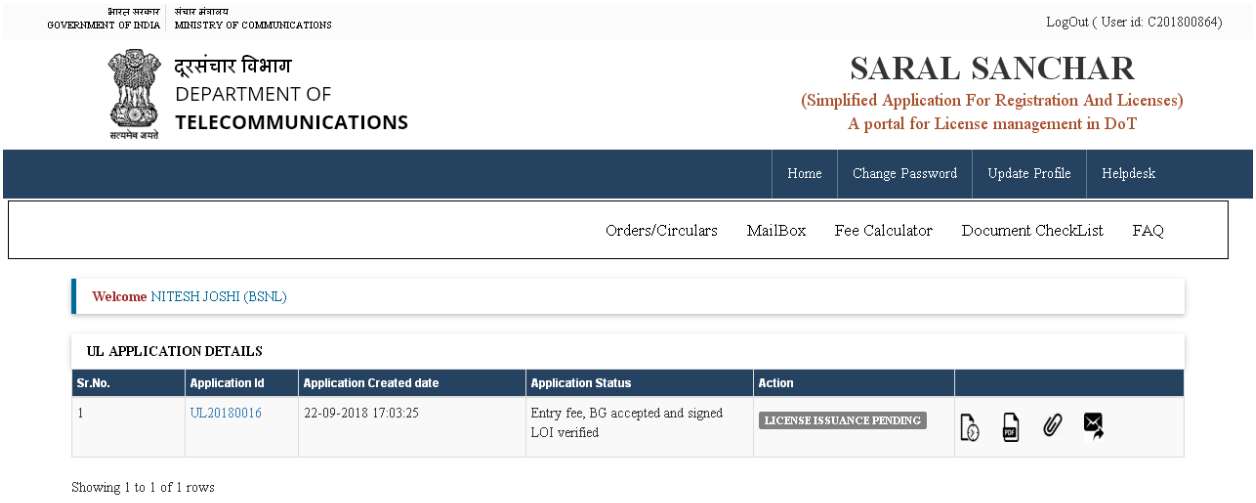

Now the applicant dashboard will look like this, as he will be waiting for scrutiny of both the documents

Now your uploaded documents will be scrutinized by DoT and after successful scrutiny of the documents you will be notified about the same by SMS and E-Mail.

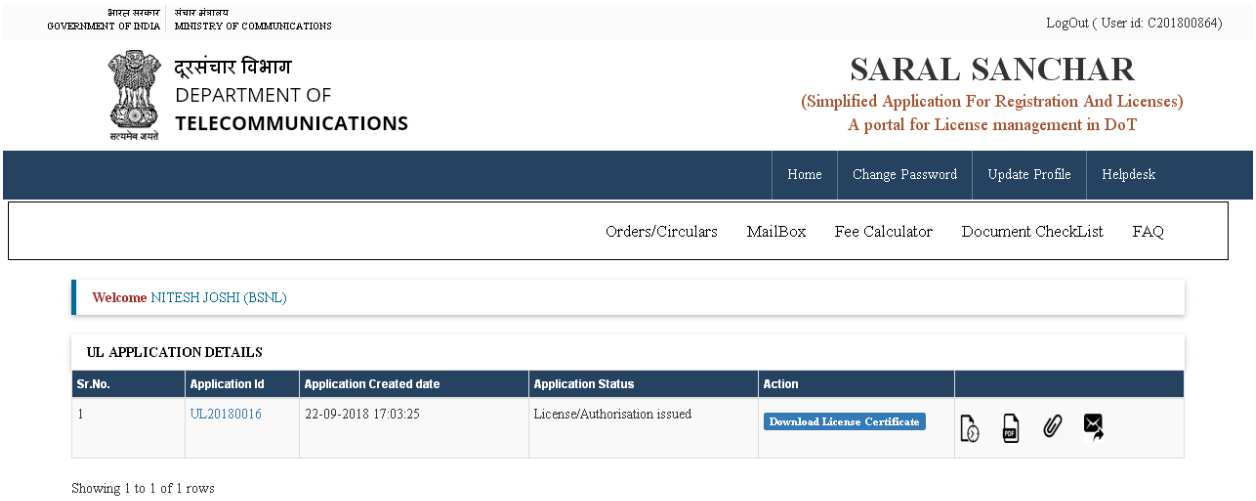

Your dashboard will look like this after successful scrutiny of bank guarantee and entry fee.

Now after successful scrutiny of bank guarantee and entry fee DoT will issue you the **License Certificate**

2.10 Download License Certificate

You can download your **License Certificate** from your dashboard by clicking the **Download License Certificate** button which is shown below.

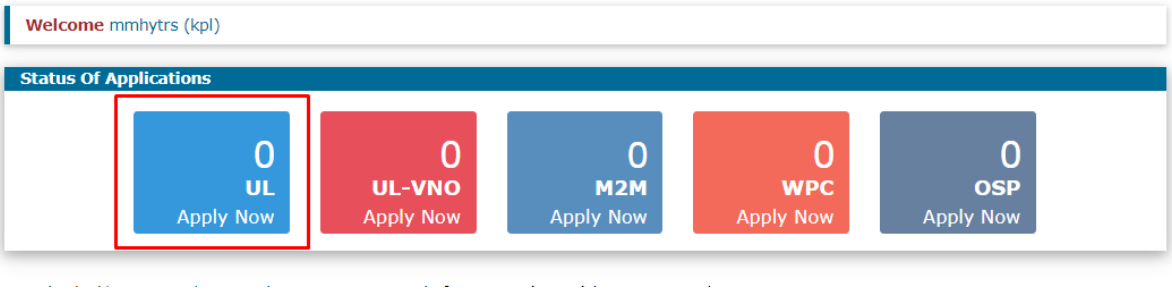

2.11 Profile Update without Scrutiny

If **no application** is in process in any module OSP/ UL / UL-VNO /WPC then Profile Update without Scrutiny form will appear in **all modules**. User can update multiple times in any module until application applied and in process.
